Prof. Mladen Pavičić
Head of the Physics Chair,
Faculty of Civil Engineering,
University of Zagreb,
Croatia.

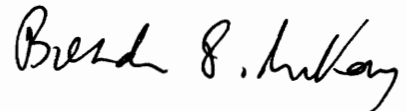

Subject: Agreement to cooperate with your project

Dear Professor Pavičić,

I am very pleased to confirm that I will be able to join your project "Quantum Computation: Parallelism and Visualization".

Our previous collaborations in the study of Greechie diagrams and Kochen-Specker vectors were both interesting and scientifically fruitful, so I'm confident that we will be just as successful in this new endeavour.

Sincerely,

A handwritten signature in black ink, reading "Brendan McKay". The signature is written in a cursive, flowing style.

Brendan McKay
Professor of Computer Science
